

WISI GNM1

Software license for additional 1 year SLA extension

Description

The CHAMELEON product platform is continuously evolved and developed with new or extended functionalities. To benefit from the development, you can upload new firmware versions in your existing installations. To be allowed to upgrade to a new firmware version, you must have a valid Software Update Agreement (SUA-> <http://page.wisi.de/sua-faq>). All CHAMELEONs get a one year SUA from the date of registration on www.wisiconnect.tv. To extend the SUA, you buy the SW option GNM1 (1 year extension) or GNM3 (3 years extension). The WISI CHAMELEON video platform is a highdensity digital TV headend for contribution of digital TV via IP networks and end-to-end IPTV solutions such as video-on-demand, connected TV and OTT (Over The Top) or Web TV.

At a glance:

- 1 Year SLA included in initial HW purchase
- SUA extendible at any time
- SUA extendible for one year
- Get access to new and extended functionality
